## Letter of Thanks

**Dear Friends**

7th Bihar Science Conference 2018 concluded very successfully on 6th December 2018 with positive notes. **Sri Ravi Shankar Prasad**, Hon'ble Minister for Electronics & IT and Law & Justice, Govt. of India inaugurated the conference on 4th December 2018 at College of Commerce, Arts and Science, Patna at 11 am. **Dr. Vijay P. Bhatkar**, a well known Computer Scientist, popularly known as Father of India's first super computer "PARAM" and chancellor of Nalanda University Gave Inaugural keynote address in this conference in front of more than 500 scientists and academicians of India and abroad. **Prof. M.S Swaminathan**, a well known agricultural Scientist popularly known as Father of India's Green revolution gave Video address during the Inaugural session of the conference

## Some Important Results and Conclusion

1. **Six young Scientist Awards** were given to the best presentations during the conference. In addition, 12 Best poster and 14 Oral Presentation were also awarded to budding scientists. BiharBrains will promote all awardee in building their career.
2. **Indian Electronics and Semiconductor Association (IESA)** Bihar Chapter will be formed to promote Bihar Electronics Manufacturing Industry under Ministry of Electronics and IT, Govt. of India.
3. IESA will also help in **establishing ISRO Center for Excellence** in Bihar for which Initial talks have already started.

4. **PCB Manufacturing , Testing and Assembly Proto Lab** proposal given by BiharBrains will be sent by IESA to the ministry for establishment of this Lab which will also help to Manufacture PCB for LED assembly houses and one layer PCB Design.

4. **CSIR National Metallurgical Laboratory, Jamshedpur** may help in establishing Electronics waste recycling Center in Patna and Training can also be provided to promote such industry in Bihar.

5. **Technology Commercialization** will be done under banner of “Center for advanced Technology and Research” established by the society. The center will give space to all young scientists’ awardee and best presenters to be part of this organization.

On behalf of organizing committee, we thank all members, participants, Keynote speakers and Volunteers for their contribution, coordination and unparallel cooperation in organizing such very successful and wonderful event. We expect your cooperation and longer association with us for the benefit of the global scientific society.
